The Office of Holy Unction is one of the most meaningful services of the Orthodox Church. It is a service of healing of body and soul, in which we also pray for forgiveness of our sins. Healing of the whole person is the fruit of this holy sacrament.

Is anyone among you sick? Let him call for the presbyters of the church, and let them pray over him, anointing him with oil in the name of the Lord. And the prayer of faith will save the sick, and the Lord will raise him up. And if he has committed sins, he will be forgiven (*James 5: 14-15*).
